

# VISION GALLERY

## Vision Kids Policies

Vision Gallery hosts Vision Kids, is a series of art classes taught by professional artists for kids ages six to sixteen, offered free of charge. Our students come from all areas of the Valley and represent a wide array of diverse backgrounds; anyone can participate! Our students learn techniques in a variety of media including drawing, watercolor, ceramics, photography, and more! Vision Kids is designed to inspire children's creativity and empower them to integrate art into their daily lives.

The Vision Kids program provides children with the opportunity to work with a professional artist and create a piece of art that is representative of their own creativity. It gives them the opportunity to develop important avenues for self-expression and an understanding of the creative process.

Vision Kids is made possible through the support of the Chandler Cultural Foundation, a 501(c)3 organization. Your generous donations help to make visual and performance arts accessible to our Chandler community and beyond.

- There is a registration limit of three classes per child, per semester. Registration is first-come, first-serve, and remains open until all classes are full.
- Classes are held Saturdays at Vision Gallery at 10am and 1pm, and are two hours long.
- A parent or guardian is required to attend the workshop and remain at Vision Gallery for the duration of the class.
- We will email a reminder to confirm your attendance a week before the class, with a deadline of 4pm on the Wednesday before the class. If we don't have a confirmation from you by that deadline, you may lose your reservation. We will always attempt to contact you several times before opening up the reservation, and we will let you know if we must take this action. We ask that parents maintain open communication by checking their email and voicemails.
- We keep a waitlist for all of our classes; due to busy schedules, illness, etc, it's not uncommon for us to have several cancellations per class. It never hurts to put your name on the list!
- If your child is unable to attend a class, please call at least 48 hours in advance so a child on the waiting list can be admitted.
- If your child is sick, we kindly ask that you keep them home; please give us a call as soon as you can so we can attempt to fill the spot.
- It is important that we fill each class to capacity; therefore, last minute cancellations (not due to illness) or no shows may result in your child being removed from future classes.
- Vision Gallery staff may photograph the class for marketing purposes. If your child should not be photographed, please let us know.

We appreciate your participation in this program! Please feel free to contact us at 480-782-2698 or [vision.gallery@chandleraz.gov](mailto:vision.gallery@chandleraz.gov) with any questions or feedback.
