

Call to Artists - Holiday Gift Extravaganza **Deadline to Apply: Sunday, October 3**

With the holiday season approaching, Vision Gallery is stocking our gift shop with local handmade goods, and we are inviting artists in our community to apply to have their works included for sale. Based on customer demand, we are specifically looking for Christmas ornaments, but we are open to considering a wide range of holiday-themed gifts including jewelry, décor, and more. There is no fee to submit, and applications will be considered by Vision Gallery staff.

Important Dates

October 3, 2021 – Deadline to apply

October 8, 2021 – Artist notification

November 13, 2021 – Full inventory due at gallery

Details

- Stock not sold by December 25 will either be discounted and sold through January 8 or returned to the artist, at the artist's choice.
- Retail prices are determined by the artist; all consigned artworks sold at Vision Gallery are subject to a 50% / 50% commission split.
- We are most interested in items priced under \$50, but will consider items priced above that amount.
- Artists should plan to provide multiples of the same item in a stock of at least 10.
- Artist may submit up to 5 items for consideration.

- You do not need to have your full inventory ready by the time you submit; we just want to see an example! You'll have a month between your notification of acceptance and when your inventory is due at the gallery to make the rest of your stock.

To apply, please email vision.gallery@chandleraz.gov with the following information:

- A photo of each example item you propose including in our store
- A brief description of each item (medium, size, special features, etc.)
- The retail sales price of each item (remember the 50/50 split)
- Full inventory of selected items will need to arrive at the gallery by 11/13

If you are interested in selling your products in Vision Gallery's gift shop beyond the holiday season, we are always looking for new artist vendors. We stock a variety of handmade or artist-designed jewelry, cards, home goods, and more. Please email us separately with pictures and information about the other artsy gifts you create.
