

Vision Kids Policies – Classes 2022

Class Format

- Classes are held on Saturdays at Vision Gallery at 10am and 1pm and are two hours long.
- A parent or guardian is required to attend the workshop and remain at Vision Gallery for the duration of the class.
- Plan to arrive on time; late arrivals may not be admitted to the class

Registration and Supplies

- Registration will take place online via Eventbrite; go to visiongallery.org/vision-kids to view the schedule of classes and links to register. Registration opens Saturday, December 4, 2021 at 10am.
- There is a registration limit of three classes per child, per semester. Registration is first-come, first-serve, and remains open until all classes are full. There is a limit of 20 students per class.
- We keep a waitlist for all of our classes. If a class is full, it never hurts to put your name on the list!
- All materials will be supplied by Vision Gallery.

Safety Measures

- Class will be held in the gallery to allow for better social distancing
- Hand sanitizer will be provided
- Individual supplies will be provided for students as much as possible
- Masks covering nose and mouth are requested for all participants or family members regardless of vaccination status
- If anyone in your household is not feeling well, please cancel your reservation
- Any updates to our protocols will be communicated prior to the class

Accessibility

- We would be glad to do what we can to make our classes accessible for your child. Please contact us at 480-782-2697 or vision.gallery@chandleraz.gov and we will try to accommodate your request.
- Users who use screen readers may have difficulty registering for classes using Eventbrite; please call us at 480-782-2697 and we can get you registered over the phone.

Cancellation and No-Show Policy

- We will email a reminder to confirm your attendance a week before the class, with a deadline of 4pm on the Wednesday before the class. If we don't have a confirmation from you by that deadline, you may lose your reservation. We will always attempt to contact you several times before opening up the reservation, and we will let you know if we must take this action. We ask that parents maintain open communication by checking their email and voicemails.
- These classes are very popular, and registration goes quickly. We want to fill each class to capacity so that as many kids as possible can participate. Therefore, participants who do not show up for the class and make no attempt to contact us may be removed from future classes. To avoid this, please review the class schedule carefully before registering and cancel your reservation as soon as you know your family will no longer be attending. If something comes up at the last minute, please let us know.

We appreciate your participation in this program! Please feel free to contact us at 480-782-2697 or vision.gallery@chandleraz.gov with any questions or feedback.
